

White Horse Media posted a question on YouTube that I saw on 7/2/20. It said, "Bible prophecy gives us the answers to what the signs of the end will be. What are some other Bible texts that tell us we are in the last days?" Following this Matthew 24:6-8 was quoted from the New International Version.

For some other Bible texts that tell us we are in the last days I would like to submit the following:

"Their throat is an open sepulchre; with their tongues they have they have used deceit; the poison of asps is under their lips." Roman 3:13 from the real Protestant Bible.

Since some may not appreciate what the King James Version says, I will explain it in detail. The first part about the throat being an "open sepulchre" means that what comes out of the mouth is like an open grave. The tongues having "used deceit" means those speaking have used lies. Saying "the poison of asps is under their lips" is just repetition and emphasis of what has already been said. An "asp" is a type of poisonous snake (or serpent or dragon in biblical terms).

Let's now bring this a little closer to home. The verse YOU quoted, Matthew 24:6-8, was from the New International Version (NIV). The NIV and other bibles speak what was put in them by their translators. The NIV definitely uses "deceit" and has the "poison of asps" and what it speaks is definitely "an open sepulchre." YOU have spoken its words pretending it's the Word of God so YOU share in its guilt of deceit. Here is one of the many places where the NIV is deceitful and an open grave.

"When human beings began to increase in number on the earth and daughters were born to them, the sons of God saw that the daughters of humans were beautiful, and they married any of them they chose." Genesis 6:1-2 from the NIV.

Notice that the NIV distinguishes between "humans" and "sons of God." It is saying that the "sons of God" were something other than human. Guess what, the only other places where the phrase "sons of God" occurs in the NIV is in Job where the reference without question is about angels. That means the NIV is teaching that angels had sexual intercourse with humans. All other places which in the King James Version said "sons of God" have been changed to "children of God" in the NIV. You can't prove from the NIV that angels didn't have sexual intercourse with humans. There is no problem in the King James Version for it says:

"For as many as are led by the Spirit of God, they are the sons of God." Romans 8:14.

"Now the Spirit speaketh expressly, that in the latter times some shall depart from the faith, giving heed to seducing spirits, and doctrines of devils;" 1 Timothy 4:1.
